Dear Aaron,

Piano Recitals - School Tour in Portsmouth

Many thanks indeed for visiting Portsmouth and thrilling hundreds of children and young people with your inspirational piano recitals.

I thoroughly enjoyed the recital at Lyndhurst Junior School and I was very interested to see the high engagement amongst boys, in particular. Their enthusiasm and concentration throughout the recital was excellent and the staff were very appreciative and impressed.

We have received feedback from teachers at a number of the schools and they were all extremely positive and effusive in their praise for this excellent opportunity to experience a range of music performed by an expert live in their schools.

I really do appreciate you giving up your time to work with Portsmouth Music Hub and extend the live music offer for schools which has been beneficial for so many of our pupils - thank you so much.

Yours sincerely,
